PERSONAL.

Mrs. G. K. Stoddard, of Montrose, is visiting here.

Dr. Charles J. Barrett and sister, of Pittston, visited their brother, John E. Barrett, Saturday.

Theodore G. Osborne, whose verses in THE TRIBUNE and other papers have met with widespread favor, called on Electric City friends Saturday.

Dr. Daniel B. Strong, whose speech in behalf of protection, as published in Saturday's TRIBUNE, has won much admiring comment, delivered substantially the same address at Brandt's Saturday evening before a large and enthusiastic audience. Dr. Strong may be secured to speak in this city during the next campaign.

There is music in the names May, Ang, park, Round, Wood, park. Make it possible to have them. Vote for the parks.

NORTH END.

The outlook in the Second ward is bright for Finn and Morris. Their many friends are active in their behalf and no stone will be left unturned to secure their election. Convincing goes on daily with unabated vigor, and the probabilities are, that they will be elected by substantial majorities. It is necessary to say one word in praise of the Republican candidates, as their names are household words in this section. They are honorable men whose word is their bond, and whose only solicitude will be to serve faithfully their constituents. It is the duty of the ward leaders to try and get out a heavy vote as the gentlemen on the opposite side of the house are vigorously prosecuting their canvass. With due caution and proper facilities for getting out the vote, there can be no question as to who will win.

The fight between O'Connor and H. J. O'Malley in the Third is waxing hot. Both parties are working strenuously to head the vote.

The fight for the school controllership of the First ward is to all intents and purposes a foregone conclusion. Mr. Mitchell, the present efficient incumbent, will undoubtedly succeed himself by a large majority. There has not been the slightest doubt from the start as to the result. His opponent's most sanguine supporters concede victory to him.

The Poverty social held at the North Main Avenue Methodist church Friday night, was very successful. The dialogue were particularly interesting and elicited round after round of applause. The recitations were effectively rendered. The vocal and instrumental music was the most pleasant feature of the social. The church was crowded to overflowing.

The residence of P. J. Rnane, on the corner of Brick avenue and West Market street, caught fire Saturday evening. An alarm of fire from Box 81 brought three companies to the scene, but their services were not required as the "break" gang had extinguished the fire.

John Lynch, of West Market street, died at his home on Saturday, aged 45 years. The immediate cause of death was acute inflammatory rheumatism. He is survived by his widow. Deceased was one of the most respected residents of the Third ward and was popular with all classes of people. In politics he was always a consistent Republican.

Michael Clarke, of West Market street, one of the most popular North End young men, is convalescent after a serious attack of typhoid.

Mr. and Mrs. Charles Berry, of Putnam street, entertained the following ladies and gentlemen Saturday evening: Misses B. Hart, Agnes and Mary E. Powers, all of Hyde Park; May and Ella Regan, of Wyoming avenue; Messrs. McGreevy, Silfman and Richards. Mr. and Mrs. Berry did everything possible to make it pleasant for their guests, and succeeded admirably.

NEW INSTITUTE AT DUNMORE.

One Was Organized With Twenty-five Charter Members Yesterday.

A branch of the Young Men's institute was organized at Dunmore yesterday afternoon by members of the Scranton institute.

The new organization starts with a charter membership of twenty-five. Yesterday's meeting was presided over by Frank McFie, and Attorney M. A. McGinley, president of the Scranton institute, explained the objects of the organization. Short addresses were made by Rev. Gerald McMurray, and James J. Scott.

NEWS FROM WEST SIDE

Happenings of a Day That Will Interest Hyde Park Readers.

VOTE FOR THE BRIDGES AND PARKS

Interest in the Election Tomorrow on the Increase—Warm Fights in the Fourth, Fourteenth, and Twenty-First Wards for Political Honors—Thieves Who Plundered Joseph Mearns' Store Captured.

The West Side office of the SCRANTON TRIBUNE is located at 128 South Main avenue, where subscriptions, advertisements and communications will receive prompt attention.

Tomorrow will be election day, the day that will decide whether Scranton will enjoy public parks and new bridges. Every patriotic citizen of the West Side should consider the matter with great care and ultimately put his mark in the space allotted for that purpose on the ticket. The necessity of bridges and parks are greatly felt there is no doubt, and while it is well known that all voters are not in favor of it, yet it is almost assured that every patriotic citizen has sufficient interest in the growth and welfare of the city to vote for these improvements.

The fight for political honors in the Fourth, Fourteenth and Twenty-first wards, as the time draws near, is getting very warm. In the Fourth ward, William C. Vetter, Democrat, and people's candidate, is strongly opposing J. Thomas, Republican, for select council. For common council there are Simon Thomas, Republican; William H. Row, Democrat; John Steigerwalt, People's party candidate; William Oram, Democrat; and Owen D. John, who is opposed for alderman.

In the Fourteenth ward H. Krieger is opposing P. J. Neale, the present common councilman and George Kellow is running against Mr. McCann for select council.

In the Twenty-first ward N. S. Langstaff the present school controller is in the field for re-election while S. Bavan, a Republican, and E. J. Leonard, a Democrat are also looking for the honor.

The Thieves Are Captured.

Owen Finnegan, of Price's court, Arthur Gregory and George W. Morgan, of Tenth street, arrested by Police Sergeant Williams on Friday evening for the robbery of Joseph A. Mearns' store on South Main avenue during Wednesday night's riot, were given a hearing at the West Side station house Saturday afternoon before Alderman Blair, of the Fifth ward, and Chief of Police Simpson. The prisoners admitted having done the burglary, and made a clean breast of the matter. Joseph A. Mearns identified the stolen goods as part of his property with the exception of a flannel shirt which Gregory admitted he had taken from the window of the New York Bazaar. The young men are of good family, which was taken into consideration by the magistrate who fixed bail at \$300 for their appearance at court. William Davies, of North Hyde Park avenue, went security for Morgan and the other two were remanded to await bail. Gregory obtained bail yesterday morning, but Finnegan's case is not yet settled.

Sudden Death.

Mrs. Abraham Evans, of Fourth street, Keyser Valley, died at an early hour Saturday morning. Mrs. Evans was apparently in her usual health during the evening previous, and was about retiring for the night when the sickness came on, about 12 o'clock. So severe was the malady that Mrs. Evans was a corpse in three-quarters of an hour. The cause of the trouble was heart failure. Mrs. Evans is survived by her husband and one child. The funeral will take place this afternoon at 2:30 o'clock. Interment at Washburn Street cemetery.

A Social Gathering.

Miss Grace Snow, of North Hyde Park avenue, was tendered a surprise party on Friday evening. Among those present were the Misses Nettie Jones, Bessie Powell, Helen Fowler, Jessie Beavers, Esther Peckens, Lizzie Huber, Lena May Davis, Maud Jeffrey, Bessie Mearns, Emmet Ellis, Dora Jacobs, Daisy Wade, Clara Hughes and Carry Anthony; Masters G. Myers, Charles Wilkins, Albert Stover, Harry King, Charles Carpenter, George Carpenter, Walter Williams, Eugene Brooks, Eddie Beavers, Robert Hipwell, Daniel Harris, Reese Jenkins, Llewellyn Lewis, Will and Robbie Snow.

Death in Bellevue.

Mary Davies, wife of Owen B. Davies, of Bellevue, died on Saturday last, after a few weeks' illness. Some time ago Mrs. Davies contracted a cold, which developed into pleuro pneumonia, from which she died. Deceased was 44 years of age and a native of Wales. She is survived by her husband and children. The funeral will occur tomorrow afternoon at 2:30 o'clock.

An Anniversary Party.

Mrs. George Easterly, of North Sumner avenue, was given a pleasant surprise on Friday evening by her numerous friends, the occasion being her birthday. Those present had a very pleasant time. Henry Sunday presided at the piano and furnished some choice music.

Driver Boy Badly Injured.

Arthur Rogers, the 16-year-old son of Mrs. Rogers, of Bellevue, employed as a driver at the Oxford colliery, met with a painful injury on Saturday afternoon by falling under a trip of cars. His leg was broken in two places and there were also several cuts on the head.

Interesting News Notes.

Rev. D. W. Skollinger preached a sermon last evening to Camp 178, Patriotic Order Sons of America, in the Washburn Street Presbyterian church. The church was decorated with the national colors, and a portrait of Washington and a large framed motto adorned the pulpit.

Enterprise lodge, No. 21, Loyal Knights of America, will celebrate its anniversary this evening by holding a banquet. The Ladies Aid society of the Plymouth Congregational church will do the catering. The members of the lodge will meet promptly at Clark's hall at 7:30 o'clock and repair to Mearns' hall where the banquet will be held.

An interesting meeting of the Welsh Philosophical society was held on Saturday evening in its rooms on South Main avenue. During the evening an excellent debate on the "Income Tax Bill" was made. The leaders were Henry P. Davies and D. J. Evans. A discussion followed.

DUNMORE.

Tomorrow will witness one of the hottest battles for municipal control that has occurred since the borough of Dunmore was incorporated. The leaders on both sides have marshalled their forces with the utmost precaution and a terrific clash of ballots is anticipated. The fight is mainly on the basis of economical and progressive control of municipal affairs irrespective of partisan lines. The popular ticket is the one headed by Timothy Burke, and which has been nominated to represent the citizens every district in an intelligent and creditable manner. Looking forward to that end partisan lines have been dropped entirely and a ticket equally composed of Democrats and Republicans who desire a reformation in municipal affairs has been nominated. It is practically the People's ticket, but is run under the grand old banner of Republicanism. So much cannot be said of the Democratic ticket which does not represent the cognomen it exists under any more than does the opposing ticket, but was slated and nominated by an anti-borough organization better known as the Patrick Henry club. The affairs of the borough have for the last year been subject to the dictation of this ring whose great ambition is actuated by a desire to distribute among themselves and friends all the borough funds derived from controlling borough affairs. One of the principal questions aroused during the campaign is that of sewerage. The Democratic party have endeavored to force upon the people's mind the fact that the corporation have closed out the borough and have no control of the borough funds. The Republican ticket is elected and that an incorporated sewer company will build and own the borough sewers. This question is one of the biggest bugaboos that the ring Democrats have ever before originated and has done more harm to themselves than to their opponents. Candidate Burke has expressed himself in a manner that can be fully understood and says that no ordinance allowing private companies to build and own sewers in the borough will be tolerated by him. Candidates for council, Taylor and Weber, have also said that they stand in a similar position. Burgess Dugan is more conservative and at the last meeting of council states in his talk on sewerage that if any corporation wished to construct the Sixth ward sewer and run the risk of collecting a remuneration for the same, he had no objections. The voters who have been stirred up on the sewer question, can see by the above and by former interviews in THE TRIBUNE what party will work for their best interests.

H. P. Woodward who has for a number of years edited THE TRIBUNE, will move his family to "The Pines," North Carolina, at an early date. Mr. Woodward has for some time been a member of the Wyoming conference and will accept a pastorate charge at his new home. Both Mr. and Mrs. Woodward and their daughter, Clara, will accompany him on his journey.

The new postmaster, Frank McDonald, will assume charge in about a week. Mr. McDonald's appointment seems to please everyone. He is one of the most able young men a person could meet and will prove popular in his new office.

James Kelly is convalescent.

R. P. Savage and Martin Gibbons have erected all of the election booths.

Rev. Father O'Donnell, of Providence, preached the sermon at the Lenten devotion at St. Mary's church last night.

St. Mary's church is making arrangements to hold a grand staidedoff at Lake Ariel next Fourth of July. The following prizes will be given to the successful competitors:

THE REMODELLED POLISH CHURCH

It Will Be Dedicated on Washington's Birthday with Appropriate Exercises—Rt. Rev. Bishop O'Hara Will Conduct the Services, and Deliver a Sermon in English—Father Aust to Preach a Polish Sermon.

The remodelled Polish church will be dedicated on Thursday next, Washington's birthday. Rt. Rev. C. A. Aust, the rector, will have everything in readiness, and although the time for making the improvements was limited, every detail has been arranged and all will be in readiness at the appointed time. The services will be conducted by Rt. Rev. Bishop O'Hara, and a sermon in English will be delivered by that prelate. The pastor, Father Aust, will preach a Polish sermon. The program for the occasion has been arranged. Leonard's mass will be sung and there will be many invited guests.

The church will surprise anyone who has not visited it recently. It is a very beautiful edifice and the services on Thursday promise to be most interesting. Father Aust expects more than fifty priests to be in attendance.

A Trio of Accidents.

Thomas Higgins, employed at the South works, was painfully injured Friday night. The young man was employed as a cleaner man and was cleaning up beneath one of the converters, preparatory to taking off a bottom. Through the haste of the vesselmen Higgins was severely injured and sent to the Moses Taylor hospital. Anxious to make all possible speed the vesselmen sent Higgins to the hospital on Saturday. The lad was coasting on Maple street, and came in contact with a street car. Fortunately, his injuries were not of a serious nature, and after being treated by Dr. Walsh, the boy walked to his home.

William Fink, of the Flats, employed as a brakeman by the Delaware, Lackawanna and Western company, lost his thumb while coupling cars on Saturday evening. He was taken to the Moses Taylor hospital.

Shorter Paragraphs.

Select Councilman C. W. Westphal has had plans of the proposed bridge exhibited in the window of Miller's hotel on Pittston avenue.

Spruks Bros. have completed an extension to the Cedar avenue Methodist Episcopal church 15 by 24 feet in dimensions, with a gallery for ten choir.

Four young men were arrested late Saturday night charged with boisterous and unbecoming conduct. A deposit of \$50 was made for their appearance, and the deposit was confiscated.

James M. Melvin, assistant foreman at Duryea for Connell & Co., had the late brakes and min boys to the number of ninety in the city on a sleigh ride Saturday. The youngsters were given reserved seats at Wonderland.

Friends of Barber Owen Walsh will be pleased to learn that he has opened a shop on Fifth avenue.

AMUSEMENT NOTES.

It is seldom the opportunity is offered to witness a performance so really refreshing as that which will be given by Sol Smith Russell in "A Poor Relation" at the Academy of Music this evening. Mr. Russell's Noah Vale is as fine a piece of character acting as Jefferson's Rip Van Winkle or Southern's Dunderbary, and no one can witness it without having a better opinion of humanity. The play is as pure as sunlight and contains none of those questionable characters and incidents that mar the beauty of so many modern dramas.

LADY WINDERMERE'S FAN.

The success of "Lady Windermere's Fan" on its recent visit to Scranton was so substantial that a return engagement has been arranged for Wednesday, Feb. 21. In the ball room scene of "Lady Windermere's Fan," Miss Virginia, who wears a dress which is an exact copy of a dress worn by Princess Christian at the queen's last drawing room.

A TEXAS STEER.

Charles Hoyt's "A Texas Steer," which begins an engagement of one night, Feb. 22, at the Academy, is well known in this city, and it would be strange if it did not receive a hearty welcome. Perhaps this is the most artistic of Mr. Hoyt's plays, certainly it is the most definite in purpose, its sporting with politics being done good naturedly, and with a desire to afford innocent amusement.

TAXES ARE COMING IN.

Many of the Properties Cannot Now Be Exempted.

At the meeting of the bridge committee on Saturday evening C. H. Pond, president and superintendent of the Drop Forge works, called attention to several important points in city finances which are not generally considered.

Mr. Pond said that there are several chartered companies that are liable to be taxed after this year. The city council have been very generous in granting them ten years' exemption from taxes.

City Assessor Bueazille, who was present, complimented Mr. Pond on his suggestion, and stated that among other companies that would be taxed after this year would be the Pennsylvania work, which would have to pay taxes on \$100,000 assessment and the Singnot silk mill would be assessed at \$75,000. Further than this, Mr. Bueazille would not state, but there is no doubt that the corporations of the city will more than pay the interest on the bonds that the city will be obliged to issue for the construction of the bridges besides the purchase of parks.
